A sample of the product was tested and found to be in conformity with

Safety

IEC 60884-1:2022
NEK 502:2016, NEK 502:2016/AMD1:2022

Validity

This certificate documents conformity with the standards shown, and also applies as license for use of Nemko's name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation.

New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.
