EI-number: 1427489
Mat.no: EKO05376
EAN: 7020160537614
Packing: 5
Color:

Product description:

ELKO Plus decorative lightframe delivered in 1-, 2,- and 1,5 gang. Creates a discrete white light from the back of the frame against the wall. The lightframe can be used as a indicator light or as a decorative element. 2 LEDs and a light guide in every lightframe, gives an evenly light around the frame. The brightness may be adjusted in the back of the lightframe. Before installing the lightframe, remove the backframe of the ELKO Plus frame. The lightframe will replace the backframe, by placing it gently towards the Plus frame from the back. The Lightframe is powered by a minitrafo, wich is connected and placed in the flushbox. The cable must be threaded trough the metalframe and connected to the lightframe. The lightframe does not fit surface boxes, elevation pieces for DSO and not in ELKO Plus OPTION frames. Delivered with transformator

Technical specifications: Lightframe white light 2 gang, supplied with trafo.
