Data Sheet EKO50023

Product:	Surface Mounted Box 2-gang low
E-number NO:	14 708 35
E-number SV:	18 400 30
E-number FI:	24 041 42
EAN:	7020161500235
Packing:	5
Color:	Black

Product description:

ELKO One surface box is a 2-gang, horizontal and vertical mounted, rectangular box.

The ELKO One surface mounted box low version is optimized for switches with screw terminals.
The silk-matt surface finish in combination with the shape is giving an interesting glowing reflection of the light.
The surface mounted box can be mounted direct on the wall or above a flush wall-box and the bottom can be knocked-out to fit any function with circular c-plate or rocker from the ELKO One range.
The dimensions of the product are (W) 87mm x (H) 158mm x (D) 29mm.
It is made of recycled Polycarbonate (PC). The color of the product is black (RAL 9005) with matt surface finish.
It reaches IP21 degrees of protection when the cable is entering from below, if not it is IP20 only.

One range by ELKO is covering Wiring Devices, Stand Alone Electronics and Network Connectivity functions for both flush as well as surface installation. The One range has been developed with sustainability in mind, using recycled plastic, recycled packaging material and Cradle to Cradle certified.
Modern and slim design with a smooth matt surface finish that is reflecting the light in a glowing way due to it´s shape.
