Product description:

RS Nordic surface housing specially designed for mounting in corners such as below kitchen shelves.
A smart construction when fixing corner angled covering boxes, into which standard ELKO flush equipment is fixed. Entries for both 16mm as well as 20mm pipes into the boxes.
Made of thermoplastic. Suitable for fixing of all ELKO RS switches, single or double socket-outlets, dimmers, timers and low-current equipment. Offers you surface mounted installed equipment, based on flush mounted installation material. Screw distance: cc 60 mm
RS Nordic is produced in a color resistant material in purewhite RAL9003 color with the well known RS design.

Technical specifications:
